

# Preparing Students for Their Future

- U.S. Department of Labor - today's students will have 10-14 different jobs by the time they are 38 years old.
- 1 out of 4 workers today is working for a company for whom they have been employed less than 1 year.
- In 2010, the top 10 jobs in the country will be jobs that did not exist in 2004.
- Technical information is doubling every two years.
- **We are preparing students for jobs that do not exist yet, that will use technologies that have not been invented yet, in order to solve problems that are not even problems yet.**
