TechAlliance

Educate. Innovate. Prosper.

Stacey Martens
Marketing & Events Program Manager
Technology Alliance

About Us

The Technology Alliance is a statewide non-profit that advances Washington's innovation economy by connecting leaders in business, education, research, and government.

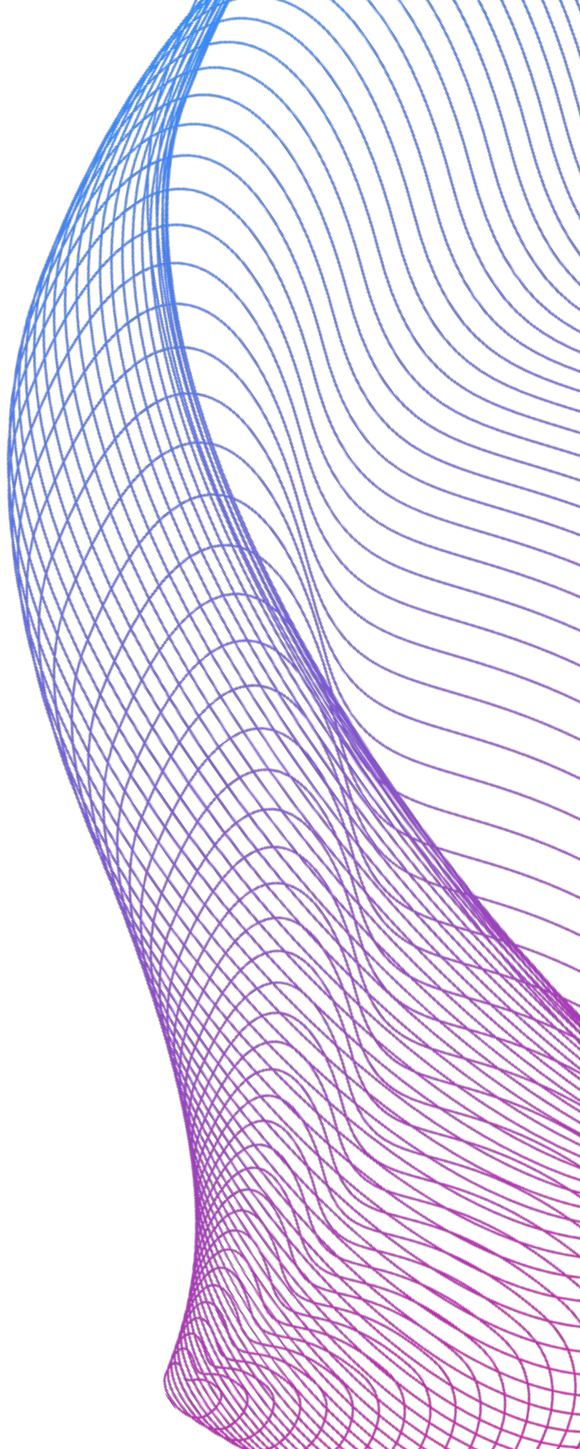
We:

- **Convene cross-sector stakeholders to solve complex challenges**
- **Promote data-driven policies that strengthen competitiveness**
- **Build programs that prepare the next generation of innovators**
- **Serve as a trusted voice for innovation in Washington State**

Our Ecosystem

Core Stakeholders:

- **Government: Policy leadership enabling innovation**
- **Academia: World-class research institutions**
- **Industry: Global and local leaders driving R&D**
- **Entrepreneurs: Startups turning ideas into impact**
- **Investors: Capital networks fueling growth**



Pillars

A Voice for Washington's Innovation Economy

- Skilled and adaptable workforce
- Abundant Research Capacity
- Robust Entrepreneurial Climate

TechAlliance

Skilled and Adaptable Workforce

Developing Talent for Tomorrow

- A thriving innovation economy depends on people - curious, adaptable, and lifelong learners

Our Commitment:

- Expand career pathways from K-12 to lifelong upskilling
- Partner with educational institutions and employers to align training with industry demand
- Promote inclusion to ensure all communities benefit from innovation

Flagship Initiatives:

- Talent Exchange - cross-sector placements connecting employers and emerging professionals
- Discovery Series Education Modules - bridging research insights with classroom learning
- Policy Recommendations - advocating for statewide STEM and digital-skills investment

Impact Highlight:

- In 2024, TA programs engaged 400 learners and professionals in reskilling and career advancement activities

Programs at Glance

Policy Matters Summit	**Cross-sector dialogue on innovation policy.**	**Government & Policy**
Seattle Investor Summit	**Connects investors, startups, and researchers.**	**Capital & Entrepreneurship**
State of Technology Luncheon	**Showcases data and trends shaping WA's economy.**	**Awareness & Leadership**
Discovery Series	**Highlights frontier science & technology.**	**Research & Knowledge**
Talent Exchange	**Builds a future-ready workforce.**	**Education & Skills**
Insights in Hindsight	**CEO reflections on lessons learned.**	**Leadership & Community**

Talent Exchange

- **Workforce initiative connecting employers, postsecondary partners, and talent to strengthen WA's innovative economy.**
- **A 3-part series. Two were held in Fall 2025, third will be a culminating Summit February 3rd.**
- **Addressing early talent, gaps in cross-sector coordination, AI-driven skill shifts, and a changing workforce.**
- **Support cross-sector placements and learning opportunities**
- **Goal: Close the talent gap across Washington's innovation sectors – by improving alignment, not creating new programs.**
