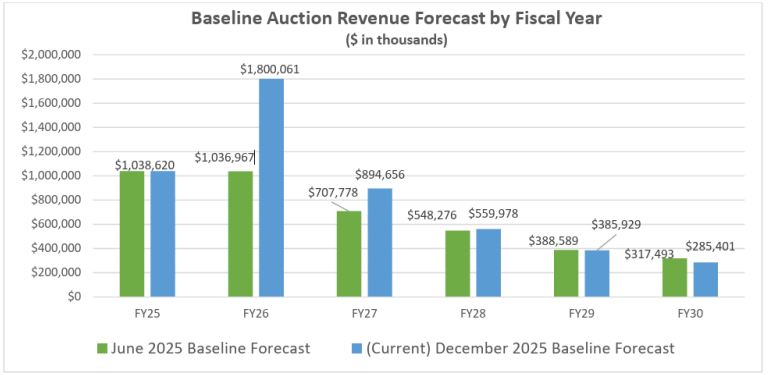
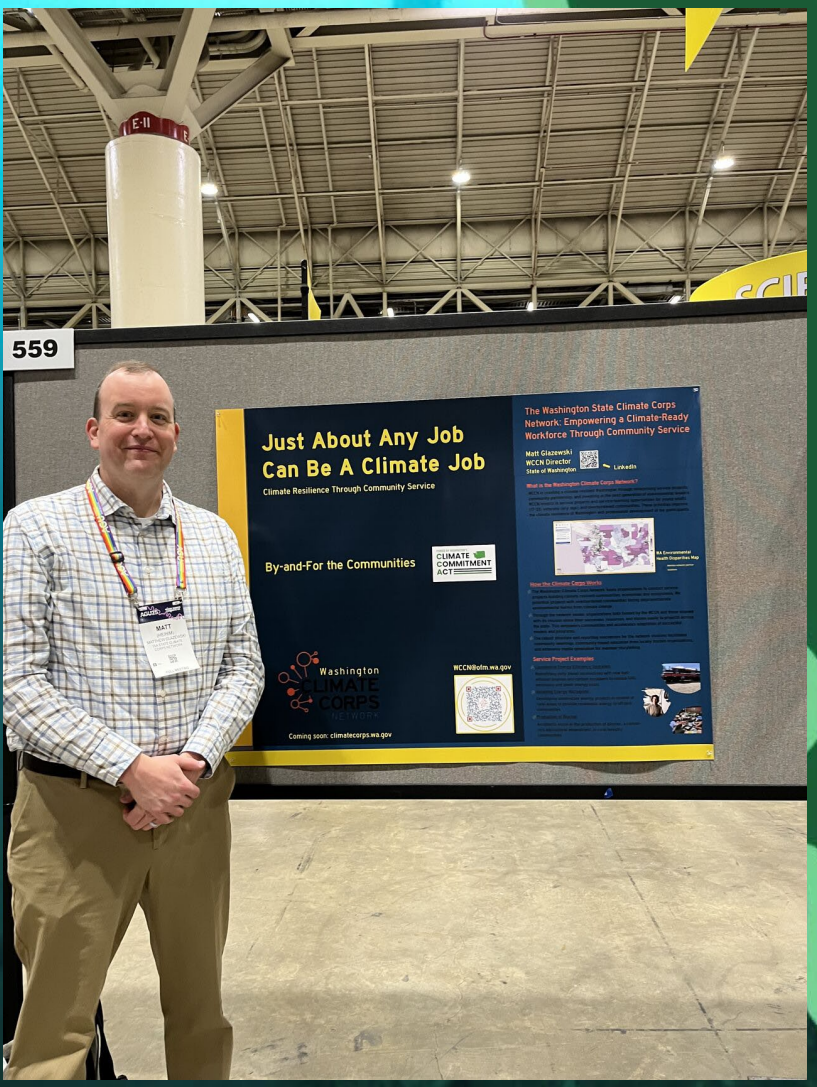
WCCN Updates

Matt Glazewski, Director

- Budget/Funding Update:
  - Biennial Grant Budget: $2,300,000 → Contracted for ~$1,500,000 thus far
  - Gov's Budget diverts surplus CCA $ to other purposes, not restoring cut funding for WCCN
- Partnerships, new potential MOUs
  - WA Green Bank
  - Maritime Blue
- Notable projects
  - Buoyant Beginnings
  - Biochar
  - Brewery carbon capture



SY21B - Climate Change Training for the Current and Future Workforce



Tues. Dec 16, 8:30 - 12pm CT, Poster Hall, boards 0559-0566

Preparing the existing and future workforce is an essential aspect of the transition to a low carbon economy. This session explores the spectrum of climate workforce development, from career identification in middle school to on-the-job training for the current workforce.
